

NATIVE ENGLISH-SPEAKING TEACHER

You wish to work in a family structure, within a dynamic and motivated team? La Petite Ecole opened its doors in Ho Chi Minh City in September 2017, in the district of Thao Dien, where it welcomes children from Nursery to CM2. Member of the Odyssey group, accredited by the French Ministry of Education and an AEFÉ partner (Agency for French Education Abroad), we are recruiting a full-time English-speaking Teacher to cover a maternity leave from December 2024, for a Early Years class (5 years-old).

Profile

- Native English-speaking Early Years School / Elementary School Teacher, with a diploma in Education (minimum a Bachelor degree in Education/Teaching);
- At least 3 years of relevant experience;
- Capable of working in close collaboration with his/her French co-teacher, as a team;
- Eager to learn and develop in a French international environment;
- Experienced in using digital equipment in class and with the team.

Additional elements that would be appreciated in your application

- Experienced in working in a bilingual environment is a plus;
- An experience in any field that could benefit the children (sport, theatre, music, etc.) is a plus;
- Proven experience of working with pupils with special educational needs;
- Ability to propose innovative teaching practices to meet pupils' needs and support their personal and academic development;
- Knowledge of French language is a plus.

Qualities

- Be flexible and have excellent communication and listening skills for teamwork;
- Be open-minded and able to think outside the box;
- Be proactive and dynamic;
- Be involved at work and willing to develop pedagogical projects, in line with the school yearly project.

How to apply

Please send your application to: contact@lpehochiminh.com

Your application should consist of your curriculum, a covering letter, record from your last inspection/assessment and 2 references.
